"Precise and extremely pure, this red shows notes of lavender, agapanthus flowers, currants and raspberries. Beautiful citrus perception that manifest itself with cedar and lemon juice. Full body, soft atannins and compact and solid finish on the palate. Persistent and authentic. Drink from 2022"

"Wow, complex scents and sensory profile, it slowly dispenses its richness with notes of black plums, blackberries, incense and hot asphalt. Full body, perfectly ripe tannins with a solid structure and a beautiful and pleasant finish on the palate. Better from 2021 onwards when the slow oxygenation will have softened the polyphenolic and tannic part."
